OPPOSE SB16

I OPPOSE this bill and ask that you vote NO when it is before you.

Nothing in this bill is designed to reduce crime in this State. In fact, it is focused on LAW ABIDING citizens to make them "toe the line" on bureaucratic minutiae. It will make regular citizens lawbreakers simply because they are not lawyers and can't figure out the clauses buried in pages and pages of legalese that will not stop one violent crime.

Thank you
